**HISTORY**

Broadbent has partnered with family-owned wineries around the globe to produce wines rich with the essence of place and tradition. Broadbent wines represent authentic character and infinite pleasure. Our Grüner Veltliner is the perfect balance of elegant and delicious. Made for us by Markus Huber (we also proudly import Weingut Markus Huber wines), this liter bottle of Grüner Veltliner is one of the best values in our portfolio.

**VITICULTURE/VINIFICATION**

Sourced from various vineyards on a 200 - 400m elevation, facing south east, in the Niederösterreich area. The vines are between 10 to 50 years of age, planted in limestone soils. The grapes experience cool alpin climate. Harvest was between 10<sup>th</sup>-20<sup>th</sup> of October, it was a very good year with good water supply and dry harvest conditions. After grapes were picked, fermented in stainless steel with 6 hours skin contact with added ambient yeast.

**TASTING NOTES**

A juicy white wine, with plenty of lime, peach and green apple flavors. Light, silky, tart with notes of lemon curd and dried oregano.
